Vending Machine READY!

Goodbye Rubber Bands... HELLO PAPER BANDS

Eco Friendly

Using paper bands aligns with the goal of reducing waste

Safer for the Product

Paper bands are gentle on the products and won't leave marks or indentations

Stronger

Designed to be strong and durable, capable of securely holding PPE products together

Recycling and Disposal

Paper bands can be easily recycled along with other paper products

Our advantages

- Easy loading:** Hassle-free packaging for effortless stocking and maintenance.
- Jam-free design:** Seamless fit to prevent interruptions.
- Perfect size and shape:** Optimized to fit vending machine slots comfortably.
- Protective packaging:** Ensuring product integrity during dispensing.
- Rigorously tested:** Proven compatibility and smooth operation on various machine types.
